In September 2017 Societies will again compete for the Dick Fitzgerald Cup in memory of the late Dick Fitzgerald, sponsored by The Woodlands Hotel Adare. The six members of the winning team and partners will again get to experience a wonderful weekend away at the Woodlands House Hotel and SPA. Perhaps your society could use an order of merit format to select the top six to represent your society. It may also generate a more vigorous participation by members in each outings.

Should you have any queries, please don't hesitate to contact us.
